

BULL HILL GUEST RANCH PET POLICY

Pets are welcome at Bull Hill Guest Ranch only in specially designated guest cabins. These cabins are identified as Cabin 4 (Rawhide), Cabin 5 (Rifleman), Cabin 6 (Maverick) and Cabin 7 (Gunsmoke). Designated Pet Cabins are based on availability.

Small to medium dogs are allowed at the Manager's discretion. Dogs must have demonstrated social skills with other dogs/animals and not prone to barking, especially at night. Owners are responsible for ensuring their pets do not chase deer, cattle or horses.

Pets are otherwise free to roam on a no-leash basis. Owners are responsible for cleaning up after their dogs within the guest ranch compound; *Dispoz-A-Scoop* bags are not available onsite so please bring your own.

Pets are **not allowed** in public areas including The Cookhouse, The Shower House, non-pet designated cabins or the Horse Barn. Any questions regarding definition of a public area should be directed to the Ranch Manager (Brent) or owner Don Guglielmino. Management's decision is final.

A \$25, non-refundable pet deposit is required for each pet.

Pets are not to be left unattended in guest cabin(s). Pets are not allowed on beds or on bed linens, but we provide a "welcome" kit that includes towels for cleaning your dog's paws, etc.

We are animal lovers and want to share our ranch with you and your animals, so please abide by these simple rules so you can return with your pet in the future!

I understand and agree to the Bull Hill Guest Ranch Pet Policy as outlined above.
